ABOUT LIMA GROUP

Lima Group founded in 2010 with LimaBuilding and LimaTech companies. Firstly residences, flats and shops built in Istanbul. At that time LimaTech as a software company created law software.

Lima Group is Turkey based company specialized on chemical, building and software industries. Especially chemical raw materials, auto clean and care products, base oil, LimaxBlue -known as adblue- and antifreeze products.

We want to meet and develop relationships with you!
